Fall is Here!

We go outside every day and enjoy all of the seasons.

Please be sure your child is prepared for all types of
weather as it can change throughout the day.

**Your child will need the following
every day at school: Coat, hat, waterproof mittens,
snow/waterproof pants, and appropriate shoes/boots.**

These items can be left at school. We ask that you label all items with
your child's name and take them home periodically to be washed.
